Dear ...:

This will acknowledge your communication expressing your views concerning Foreign Aid spending.

When the Mutual Security Legislation authority was up on the Senate floor, two amendments were proposed to cut this item in the amounts of one billion dollars and five hundred million dollars. However, both of these amendments were defeated.

You may be assured that when the request for actual appropriations does reach the Senate floor, this will receive my best attention.

Your comments are deeply appreciated.

Sincerely,

Everett McKinley Dirksen
