United States Senate
COMMITTEE ON THE JUDICIARY

ROBO
ARMS TO ARABIA
FEB 20, 1956

Dear :

Let me assure you that I shall join with other members of the Senate in a thorough exploration of the tank shipments to Saudi Arabia and the effect that this might have on the whole Middle East situation.

I am confident that all essential facts will be unearthed and that a course of action can be devised which will not jeopardize the survival or well-being of the Republic of Israel. This will have very good attention.

Sincerely,

Everett McKinley Dirksen
