ROBO
PETITION, VETERANS OF
WORLD WAR I
March , 1956

Dear :

I do appreciate your kindness in forwarding the petition signed by a substantial number of your friends and associates with reference to pension proposals for veterans of World War I and their widows and orphans. A number of bills dealing with pensions for veterans of World War I and their families have been under general consideration off and on for several years, but none have been enacted into law and I think largely because of the heavy impact on the Federal Budget. Let me assure you that whatever proposals are submitted and considered by the appropriate committees will have very careful and diligent attention.

I am glad to have this expression of interest from you and your associates.

With every good wish,

Everett McKinley Dirksen
