Dear ...:

Thank you for your comments relating to extension of the so-called G.I. Bill of Rights benefits to peacetime servicemen.

There are a number of bills pending before the Veterans' Affairs Subcommittee of the Senate Committee on Labor and Public Welfare which provide for extension of these benefits, but as yet no action has been scheduled.

Although I am not a member of the Subcommittee, I do serve on the full Committee and will be mindful of your views when this matter is reported to us for further action.

With every good wish,

Everett McKinley Dirksen
