Re: New Citizens  
4/10/59

, 1959

Dear :

I learned from the Commissioner for Immigration and Naturalization that in February of this year you completed the naturalization requirements under the law and have been admitted to full citizenship in the United States.

Let me join with other officials in welcoming you into the fold of citizenship in this great, free Republic. I am confident that you will prize this high privilege and exercise the responsibilities which go with citizenship. I commend you on your diligence in completing the necessary procedures and wish you well in this great adventure in freedom.

Sincerely,

Everett McKinley Dirksen
