ROBO: VETERANS PENSIONS H R. 7650

..., 1959

Dear ...:

Although the veterans' pension bill which passed the House some weeks ago has not yet been considered by the Senate, I do expect to support the Administration's position which seeks to place these pensions on a realistic basis and provide most assistance where the need is greatest and also take into account the veteran's income from other sources. I believe this approach is fair to the veterans and also to the taxpayers of the country.

I do appreciate your interest.

Sincerely,
