H.R. 7123 - (Boggs Bill)

Dear . . .

I have been in contact with members of the House Ways and Means Committee and am advised that it is highly unlikely that any action will be taken in the present session on H.R. 7123.

Should the situation change and the bill does come on for action, you may be sure it will have my best attention when it is presented to the Senate.

Sincerely,

Everett McKinley Dirksen
