Dear ...:

This will acknowledge your communication of recent date expressing interest in H.R. 1354 to amend the Standard Time Act of March 19, 1918, so as to provide that the standard time established thereunder shall be the measure of time for all purposes.

I have contacted the House Interstate and Foreign Commerce Committee where this proposal is now pending and have been informed that there is no action scheduled for this legislation.

I am grateful for your comments.

Sincerely,

Everett McKinley Dirksen
