Davis-Bacon Act

S. 1360

May 2, 1962

Dear :

I do appreciate your comments on S. 1360, which is pending before the Senate Committee on Labor and Public Welfare. I am advised by the Committee that reports have been requested from various executive agencies and no action has been scheduled as yet pending receipt of these reports.

A companion bill in the House, H.R. 10946, has been reported by the House Committee on Education and Labor and is now on the Union Calendar of the House.

Be assured this legislation will have my best attention if and when it is reported on the Senate floor.

Sincerely,

Everett McKinley Dirksen
