H.R. 6371

April 20, 1962

Dear :

Thank you for your comments regarding H.R. 6371 which passed the House of Representatives on August 23, 1961, and is now before the Senate Finance Committee.

The Finance Committee is currently engaged in consideration of the administration's huge omnibus tax bill, H.R. 10650, which has also passed the House. I am advised that immediately after finishing with H.R. 10650 the Committee will begin hearings on the trade agreement act and thus no action has been scheduled as yet for H.R. 6371.

I can certainly appreciate your interest in this proposal and assure you that it will have my best attention if and when it is presented on the Senate floor.

Sincerely,

Everett McKinley Dirksen
