MINORITY LEADER

United States Senate

Dear :

Your letter urging the restoration of funds to carry out the provisions of Title III of the National Defense Education Act has been noted.

The House-passed appropriation bill for the Department of Health, Education, and Welfare is still before the Senate Committee on Appropriations. Although I am not a member of the Committee I shall be alert to this item when the bill is reported to the Senate calendar.

I am glad to note your interest.

Sincerely,

Everett McKinley Dirksen
