RAILROAD RETIREMENT

June 19, 1967

Dear :

I have noted your interest in H.R. 4706 which is before the House Committee on Interstate and Foreign Commerce, however, no action has been scheduled as yet.

Let me assure you this proposal will have good attention and I will have your interest in mind if the bill should pass the House and come to the Senate during the present session of Congress.

Sincerely,

Everett McKinley Dirksen
