

## United States Senate

Single Persons' Tax Reform Robo

April 3, 1968

Dear :

Thank you for your communication urging my support of H.R. 9803, the Single Persons' Tax Reform Bill, which is pending before the House Ways and Means Committee.

Several bills in the House and S. 35 in the Senate have been introduced concerning this tax exemption, and you can be assured this legislation is receiving my continuing attention.

Sincerely,

Everett McKinley Dirksen
