United States Senate
COMMITTEE ON THE JUDICIARY

January 29, 1954

Dear ....

The House Ways and Means Committee, before which H. R. 5180 is presently pending, has scheduled no hearings on this specific proposal. However, the subject of tax exemption on the income received by a retired individual up to $125 a month will be thoroughly discussed during consideration of general revisions in the revenue laws during the present session. You may be assured that your interest will receive careful and respectful attention and I do appreciate your viewpoint.

Sincerely,

Everett McKinley Dirksen
