Dear:

The Highway Bill as reported by the Senate Public Works Committee does not contain the Davis-Bacon Amendment relating to the prevailing wage requirement. It appears likely, however, that the amendment may be offered when the measure is considered on the Senate Floor. I am glad to have your expression of interest in this item and will give it careful attention.

Sincerely,

Everett McKinley Dirksen

DAVIS BACON ACT
FEB, 1956

Dear:

It appears from my conversations with the leaders of the House of Representatives that it may be quite a while before the so-called Federal Aid to Education Bill comes on for action in that body and before it reaches the Senate for consideration.

I shall be very glad indeed to give careful attention to your suggestion for the inclusion of the provisions of the Davis Bacon Act in the school aid bill.

Sincerely,

Everett McKinley Dirksen
Dear:

Your communication expressing your interest in the pending Highway Bill and the retention of the Davis-Bacon Amendment relating to the prevailing wage requirement is, indeed, appreciated. It appears that it may be sometime before this measure comes on for action in the House and before it reaches the Senate for consideration.

You have my assurance that your viewpoint will have very careful attention.

Sincerely,

Everett McKinley Dirksen
