Dear:

S. 2875 is presently on the Senate calendar and you may be assured this proposal will have careful and sympathetic attention.

The Senate Committee on Post Office and Civil Service on May 15 held hearings on S. 3593 for out-of-town witnesses and will schedule additional hearings in the near future for local interested parties. This and related proposals are receiving continuous attention and I shall be alert to these measures as they progress through the Committee and to the Senate floor for final action.

Your expression of interest is, indeed, appreciated.

Sincerely,

Everett McKinley Dirksen

Dear:

Several proposals including S. 2875, S. 1191, and S. 3777 are still pending in the Senate Committee on Post Office and Civil Service. There is still some controversy over certain items in these measures and they must first be disposed before the Committee can finally report the legislation to the Senate calendar for action. I assure you they will continue to have good attention and I am grateful for your recent letter expressing your interest in this matter.

Sincerely,

Everett McKinley Dirksen
