Dear ... 

This will acknowledge your communication advising me of your interest in S. 3563 and 3564.

The members of the Aviation Subcommittee of the Senate Committee on Interstate and Foreign Commerce have determined that the Congress will not have sufficient time when we return in August to give this legislation proper consideration and therefore the bills will be reintroduced early next year, along with other measures providing more moderately for some sort of appeal from FAA rulings.

This will have good attention.

Sincerely,

Everett McKinley Dirksen
Dear . . .

Your letter relates to S. 3563 and 3564 which are pending before the Aviation Subcommittee of the Senate Committee on Interstate and Foreign Commerce.

I have contacted members of this subcommittee and am advised that no action will be taken during the present session, however, it is planned to reintroduce the legislation early in the next session beginning in January.

I appreciate your interest and will be mindful of your views when this is presented on the Senate Floor.

Sincerely,

Everett McKinley Dirksen
