Dear ...:

There are a number of bills pending before the House Committee on Veterans Affairs which would grant increases in veterans’ pensions, such as H.R. 9336 and H.R. 9948 which would grant a pension of $100 per month to all veterans of World War I.

I am advised by the committee that no formal hearings have been scheduled as yet, although National Commanders of various congressional chartered national veteran organizations will appear before the committee for the purpose of presenting the legislative objectives of those organizations for consideration by the committee.

I can appreciate your interest and assure you that any bill of this type which may pass the House and come to the Senate for action will have my most careful attention.

Sincerely,

Everett McKinley Dirksen
