National School Lunch Program
(usually refers to HR 13016
which was last year's bill)

May 2, 1961

Dear:

Two bills are pending before the House Committee on Education
and Labor, H.R. 4688 and H.R. 4764, to provide a formula for
a more equitable distribution of funds to the States under
the National School Lunch Act, based upon the participation
rate for the State and the need for assistance in the States.

No action has been scheduled on this legislation, however
you can be sure it will have good attention if it should
pass the House and come to the Senate during this session.

Sincerely,

Everett McKinley Dirksen
