Chinese Refugees Program
June 14, 1962

Dear:

I do appreciate your interest in the refugee program which has developed in Hong Kong as a result of an extraordinary influx of refugees from mainland China.

This matter is receiving attention presently by committees of both the Senate and the House of Representatives. While it involves a number of problems, I am fairly sure that an agreeable and effective solution can be contrived. Be assured that it is receiving abundant attention.

Sincerely,

Everett McKinley Dirksen
