Dear:

Thank you for your letter relating to H.R. 6041, which passed the House of Representatives on January 28th and is now on the Senate Calendar waiting to be brought to the Senate Floor for debate.

As you know, the Senate is occupied at this time with the civil rights bill and will be so occupied for sometime. It is therefore difficult to anticipate just when this matter will be brought up for consideration. However, it will have my best attention.

Sincerely,

Everett McKinley Dirksen
