Dear ...:

I have given careful study and attention to an amendment to S. 1758 dealing with the right of Certified Public Accountants to practice before the Internal Revenue Service of the Treasury Department and I plan to support this measure when the Judiciary Committee considers the matter.

Sincerely,

Everett McKinley Dirksen

Dear ...,:

As you know by now, the Senate approved S. 1758 and included the amendment to permit Certified Public Accountants to practice before the Internal Revenue Service.

I supported the amendment and am happy we were able to get the job done.

Sincerely,

Everett McKinley Dirksen
