, 1965

Dear :

Congratulations on receiving the National Science Foundation Summer Fellowship for Graduate Teaching Assistant for study and research in the summer of 1965 courses of your university.

This is a real honor and a high tribute to your past achievements and a real challenge to you for even greater use of your abilities in the teaching field.

with every good wish,

Everett McKinley Dirksen
Dear:

Congratulations on receiving the National Science Foundation Cooperative Graduate Fellowship for the 1965-66 academic year.

This is a real honor and a high tribute to your past achievements and a real challenge to you for further progress in your chosen field.

With every good wish,

Everett McKinley Dirksen
