Dear:

The House of Representatives is debating the OEO Legislation at the present time and there is no indication as to what final action they will take on this program. When they complete their consideration of the legislation a conference between the House and Senate will be necessary in order to reconcile the differences between the different versions of the two houses of Congress.

I appreciate very much having your views on this program and it was thoughtful of you to make them available.

Sincerely,

Everett McKinley Dirksen
