Dear:

Thank you for your communication suggesting legislation that would exclude mail transportation contractors from the provisions of the Service Contract Act.

A bill (S.1375) was introduced on March 23, 1967, by Senator Randolph and co-sponsored by several other Senators relating to the renewal of star route contracts affected by the provisions of the Service Contract Act of 1965.

The bill was referred to the Committee on Post Office and Civil Service awaiting reports from interested Departments and agencies of the Federal government. This measure will have my sustained attention when it is reported to the Senate calendar for action by the full membership.

Sincerely,

Everett McKinley Dirksen
