Dear:

Thank you for your letter urging my support of the Humane Laboratory Animal Treatment Act, S.2481 and H.R. 13168.

The Senate Bill, S.2481, introduced by Senator Jacob Javits is lying on the desk of the Senate until the members decide to which Committee the bill should be referred.

The House Bill, H.R. 13168, is pending before the House Interstate and Foreign Commerce Committee which has not scheduled any action on the measure as yet.

The Humane Society here in Washington has given me a considerable amount of detailed information, and you may be assured I shall keep this in mind whenever legislation reaches the Senate floor for action.

Sincerely,

Everett McKinley Dirksen
